

# WELCOME

Hello my name is Brian O'Neill and I'm the General Manager at the Abbey Court Hotel.

I'd like to take this opportunity to tell you a little bit about the work we've been doing to improve our business and I promise to keep this brief!

Let me start by saying as the only hotel located in Nenagh, we are proud to be building a business with great people who are dedicated to delivering a great guest and visitor experience which all starts with a genuine, friendly welcome.

Upgrading our bar facility is just one of the many aspects of our business we are revamping. The bar's comprehensive renovation introduces a fresh but rustic decor and includes the addition of a cocktail and wine bar experience. Our new space also has areas designed to accommodate groups,

as well as intimate, cozy snugs for those seeking a more private ambiance. This transformation ensures a versatile setting suitable for any occasion.

Our team is fully committed to continually improving our reputation and striving to deliver a better service and quality product. So whether you're a business taking time out with employees or families and friends gathering for a special occasion or simply cherishing quality moments together, our goal is to 'create the magic' and we're here to serve you.

I look forward to welcoming you in person and hope to see you in the very near future.

Thank You *Brian*
