Testimonials

Over the years we have used the Abbey Court Hotel for a wide range of occasions including our AGMs, Lunches, Seminars, Meetings and a Book Launch. They have been consistent in their high level of service, friendliness and can do attitude. We would highly recommend the Abbey Court Hotel and look forward to our continued relationship.

Jerry Ryan - Arrabawn

Our national and international Fleadh officials commented on the warmth of the welcome, the comfortable spacious bedrooms and the excellent leisure facilities provided by the hotel. The Lodges were particularly suitable for families and friends attending the Fleadh. We were most impressed with the very high standard of food and the Chefs enthusiasm in creating menus specific to each of our occasions.

The Hotel provided us with a variety of meeting room facilities including audio-visual and technical support. The staff were always pleasant and efficient and we really appreciated the advice and expertise of the Events Personnel. Having hosted such a major provincial event in Nenagh we would highly recommend The Abbey Court Hotel.

Pascal Gray – Munster Fleadh Cheol Committee

All arrangements were superb and no request too much for the Abbey Courts fabulous staff. Your efforts were greatly appreciated. Indebted,
